St. Albert Cadet 1st in Gliding Program
A new innovation in Air Cadet Summer Camp Training - gliding in the Edmonton Soaring Club's gliders was introduced this year. Each cadet was given the opportunity to have a trip in a glider. The program was closely watched by Cadet authorities across the nation since it is the first time it has been tried in Canada. To make it even a better first, a St. Albert Cadet, (pl. Bill Hart) happened to be chosen to make the first flight. Bill is shown here just before the flight. While he looks a bit serious he, and all the other cadets reported it as a 'Terrific' experience.

Councillor deBrujin had suggested we submit the two resolutions to the U.A.M., that were defeated last year. One was in regard to Sales Tax, and the second in regard to Municipal Property Tax. Mayor Fowler corrected this statement in that the sales tax resolution was passed and forwarded to the Provincial Government to which the Provincial Government replied "the Federal Government is tending to go the opposite way and rather than exempting taxes, are tending to impose more taxes". The other resolution, in regard to Municipal Taxes was defeated. Mr. Billings was requested by Mayor Fowler to further explain the second resolution. It was explained that the Provincial Government is empowered to exempt certain properties. An example being the Youville Home, and the Seminary, which do not contribute to the services of the Town such as Fire Protection, Police Protection and Garbage Pick-up. It was noted that the aforementioned properties are performing a great service, not only to St. Albert, but to the rest of the Province. After a lengthy discussion, the following resolution was presented: Councillor Bakker moved that the resolution presented last year, regarding exempt properties, be placed again with additional information of non-revenue producing services provided, and that the staff bring back this resolution in complete form, to the next regular meeting in September. Motion carried. Mac's Motel - On behalf of Councillor deBrujin, Mr. Billings brought forward an item re: Mac's Motel. That if a building is connected to the water and sewer, this should be classed as an improvement. This would require an amendment to the Assessment Act. Mayor Fowler felt this was a very good resolution. Councillor

Power Rate Cut for Town or for Consumer?

Council Meeting, September 7, 1965

Resolutions to Union Alberta Municipalities

Exempt Municipal Taxes - Mr. Billings stated that he had spoken with Councillor deBrujin on the telephone, and that

Editor, W. J. Netelerbas

SALARY FOR MAYOR

Our Council decided during the last meeting to bring the Mayor's salary once again before the St. Albert Ratepayers. This will be the fourth time that you and I have to decide about the need and justice of a \$6,000 annual expenditure. As you know, such a money bill needs a two thirds majority (66 2/3%) to pass and the highest support ever given to this salary motion was 54% at the July 1965 election. In all other elections it was under 50%. The Mayor's salary has been over the years, quite a political issue in our Town. Several groups have opposed this salary issue furiously by petition or during the election campaign. Personal conflict and misunderstandings played often an important role. As the majority of previous Council and present Council are in favor of the Mayor-Council form of government, it is now time that we accept the full consequence of such a form of government. The duties of a Mayor of the Town of St. Albert with a 10,000 population are so numerous and demand so much time that no payment for such a full time job is not only ridiculous but also irresponsible. During the time that the Town was working under a Manager form of government, the Manager was paid! As the Town is now working under a Chief Executive (Mayor), he should be paid! If we expect from a Mayor to do a good job, then we have to give him a chance to do so and don't let him financially suffer with only a \$450.00. Not one of us would like to give his time and effort and continuing responsibilities to bear for just a peanut salary. Let's talk common sense, no hard feelings and no longer political issues which has nothing to do with a payment to a man who likes to do a good job for all of us at the best of his ability. Let's give this salary issue a boost and let's support it with more than 66 2/3%.

"We are asked that this item be put in the form of a resolution to the U.A.A. by the staff, and brought back to the next Council meeting. Passed.
City of Edmonton - State Building
Council for decision brought forward this
item on the store closing hours which
the City will be presenting to the con-

vention. Councillor Baker felt this item should be vigorously opposed. It should be noted that Edmonton City Council did not endorse this item but merely approved the resolution to the U.A.A. Councillor Baker moved that the Town's delegation be instructed to oppose the motion transferring the powers of store closing hours to the Province. Carried. Dormitory Town - Councillor Parker raised the question of some relief of taxation for the Town of St. Albert, noting that the Town was the only Municipality in Alberta that could now be classed as a dormitory Town. Mayor Parker thought it may not be wise for the Town to go

NOMINATION NOTICE

THE TOWN OF ST. ALBERT

PUBLIC NOTICE is hereby given that I will attend at:

The Office of the Mayor, Town Hall, Civic Centre, St. Albert, on Wednesday, the Twenty-second day of September, 1965, from Eleven o'clock in the forenoon until Twelve o'clock noon, for the purpose of receiving nominations of Candidates for the Office of Councillor for the next ensuing three years, and for the Office of School Trustee for the St. Albert School District No. 3, and the St. Albert Protestant Separate School District No. 6, for the next ensuing three years.

GIVEN under my hand at the Town of St. Albert, this 14th day of September, 1965.

"G. P. Moore"
Returning Officer

through the U.A.A. in regard to this matter, but that perhaps at a later date directly approach the Provincial Government.

Initiation of the Secretary-Treasurer - Town and Village Act - Councillor Baker felt that certain section of the Act require clarification as to the duties of the Secretary-Treasurer, and referred specifically to sections 67, 73 and 81. Councillor Sheatley felt that these sections should be more specific as to what duties could be delegated by Council. It was his opinion that some duties could be delegated, and others definitely should not. Council Mr. Sheatley moved that the staff prepare a resolution requesting clarification by the Provincial Government of sections 67, 73 and 81 of the Town and Village Act, in relation to the relationship to one another.

Council Meeting, September 9th, 1965
Services - New Public High School - Mission Park: Mr. Wheating read a letter from the Public School Board, petitioning for services to the new High School site in Mission Park. Mr. Wheating pointed out there had been a proposal made by Walker & Newby Ltd., whereby they had proposed installation of services not only to the High School site, but to the abutting subdivision as well, thusly connecting to the present mains. At this time, maps were presented indicating the services to be installed for the area as a whole. The question was raised as to the manner of financing this installation. Mr. Wheating pointed out that a memorandum with recommendations had been submitted by the Town engineer, in which Mr. Maendig, states that these services could be handled in

the normal way, by having the abutting land-owners pay for these services, through petition and Notice of Intent. Secondly, a recommendation was put forward by Walker & Newby Ltd., for servicing a larger area, of which a preliminary plan was put forward last summer and approved in principal, at the time, whereby the Town would be petitioned by the owners to put it on a frontage basis until such time as time as building occurred in the area. After a lengthy discussion, the following resolution was put forward: Councillor Dennis moved that the memorandum and recommendations of Mr. Maendig, be forwarded to the Public School Board, for their consideration and comments. Carried. Mr. Wheating suggested that the School board would probably want to discuss this further after consideration was given to the recommendations of Mr. Maendig, and Walker & Newby Ltd., therefore he suggested that the School Board meet with a joint committee. As this would

likely take some time, Mr. Wheating further suggested the 20th of September 1965, as a date they might meet. Mr. Maloney added that since there were some items in the recommendation of Walker & Newby Ltd., that might set a new policy, he was of the opinion that the Separate School Board should be invited to view this matter as well. The following resolution resulted: Councillor Dennis moved that both School Boards be requested to meet with the Joint Committee on September 20th, 1965, at 7:30 P.M. The motion was carried.

Access Roads and Sidewalks to Sir Alexander McKenzie and Paul Kane Schools - The poor conditions of the access roads and the sidewalk leading to the Paul Kane School was discussed at length. It was pointed out that the students attending the Paul Kane School were having to walk along the road side, which of course, could be very dangerous as cars and buses were travelling along this road as well. Mayor Fowler asked the Town Engineer if he could very roughly estimate what the cost of sidewalk installation would be. The length of walk required leading into Sir Alexander McKenzie School was approximately 730' and along Namao Road, approximately 130' then approximately 560' leading into the Paul Kane High School. It was thought that the cost might be in the neighbourhood of \$5,000 for the entire project of sidewalks. Mayor Fowler stated that he had, in a previous meeting with the Board, suggested to the Board that they meet either with the Public Works Committee, or a joint committee to further discuss this matter, which brought forward the following resolution: Councillor Parkes moved that the Separate School Board be approached with the view to meeting with the Joint Committee to be included in the September 20, 1965 meeting. The motion was carried.

Swimming Pool Site - Mr. Walker suggested at this time, there were two possible sites to establish the Sports Complex. A map was laid out, and the Councillors shown the location of these two sites. The acquisition of the choice location would be done through a land exchange. However, if there is a possibility that the Town may go ahead with the pool only there were a few other locations available to the Town. Mr. Woodroffe of the Edmonton Regional Planning Commission, pointed out, the Town must bear in mind when making this decision, that if they are to build a pool only, at this time, they will from time to time, consider other recreation facilities, and if not careful, could duplicate the facilities such as change rooms, showers, parking etc. Another consideration in choosing a location, is that it should be as centrally located as possible, not as the Town is right now, but in 15 years from now. After much further discussion, the following resolution was presented:

St. Albert Gazette

Councillor Parkes moved that Mr. G.C. Walker be authorized to investigate the possibility of assembling the land for the complex in the proposed area and report back to the meeting on the 20th of September, 1965, and if this is not possible, that we look into the possibility of the swimming pool alone, in an alternative area. Motion was carried.

Council Meeting, September 13, 1965

Walkway - Council decided that the walkway between Sable Crescent and Spruce Crescent will be closed.

Hospital Program - The Hospital Program was referred to the Finance Committee for further study. During the discussion, it was mentioned that the municipality of Sturgeon has still not appointed their representative for this Hospital Board.

R.C.M.P. - During the discussion regarding a new R.C.M.P. contract with the Town of St. Albert, the following question was brought forward, "Are the Town By-Laws enforced by the local R.C.M.P.?" Mr. Roberts, Building Inspector, stated that charges last at least two weeks which is too long. Mr. Andre Gate, Park Superintendent, wondered if the R.C.M.P. was enforcing the By-Laws regarding parks and boulevards. The Secretary-Treasurer, Mr. Lloyd Wheating, stated that the R.C.M.P. has given him the indication that they will enforce the Town By-Laws as mentioned in the new contract. Regarding the new contract, Councillor Wheatley mentioned that there is a 10% increase in the new contract in comparison with last year. After further discussion, Council decided to accept in principle the new R.C.M.P. contract.

St. Albert Arena Association - The St. Albert and District Chamber of Commerce has decided to coordinate the formation of a St. Albert Arena Association. Representatives from all groups in town have been invited to attend the meeting at Club Kocombo on Tuesday, September 14. Council appointed Councillor Parkes to represent Council at this meeting and to report back to Council. Mayor Fowler mentioned that as the Town cannot afford any extra expenditure, no commitments will be made by any Councillor on behalf of the Town during this meeting.

Kinsmen - A letter was received by the Town from the St. Albert Kinsmen Club which stated that a loss of \$6,000 was the result of the two rained-out Rodeo days. They asked the Town for a grant of \$5,500 which was already allowed by the Town some months ago. This matter was referred to the Finance Committee.

Annual Meeting - Building Inspector, Mr. J. Roberts, will attend on behalf of the

Town, the annual meeting of the Alberta Building Officials Association to be held in Red Deer.

Hercules - The executive of the Hercules Sports Association will meet with Council in Committee this Monday regarding their 1965-66 program and the grants needed for such a program.

American Homes Premises - St. Albert Trail - It was recommended by the Edmonton Regional Planning Commission that the establishment of a Pre-cast Concrete Industry on the former American Homes premises is against the present zoning regulations in this area (zoned now as Highway Commercial). If the Council would decide to allow Mr. Evans to start this Pre-cast Concrete business, as non-conforming use, the Town has to apply for a rezoning to Highway Industrial to the Edmonton Regional Planning Commission. Councillor Donais moved to reject the establishment of a Pre-cast Concrete business on the former American Homes establishment. This motion was carried unanimously. Mayor Fowler found it very hard to reject Mr. Evans' request for a new industrial development in our Town. "However," he said, "the policy of the Town makes it impossible to have an industry alongside of Highway #2." "I hope," he said, "that we will find a suitable site in the Industrial area of the Town." "We cannot afford to lose any industrial development."

New Telephone Switchboard - Mr. Billings, the Assistant Secretary-Treasurer, stated to Council that the present switchboard at the Town Hall is inadequate for proper telephone services. He recommended to Council to replace this switchboard for a more effective one, which would cost the Town approximately \$40.00 per month more in lease. Councillor Wheatley moved to rent this new model switchboard and to bring the expenses on the 1966 budget. This motion was carried.

Dictation Equipment - The Town will go into a lease agreement for Dictation Equipment (Philips) which will enable the Town staff to work more efficiently. This lease will cost the Town approximately \$94.00 per month.

Power Rate Cut - A saving of approximately \$65,000 a year was offered by Calgary Power to the Town of St. Albert. Council couldn't decide if this money should go to the consumers or to the general revenue of the Town. The saving to the average householder would be approximately \$1.00 per month. Councillor deBruyn, Chairman of the Financial Committee, made the following recommendations: That Calgary Power provide all the street lighting at no cost to the town, or; That the town sell the water and sewage system to Calgary Power, and have the company provide all these utilities, or; That the town exercise its option to buy

the electrical distribution system, with a view in buying electricity in bulk from any supplier it chooses. If the Town would benefit of this \$63,000, an increase of the mill rate for 1966 could possibly be avoided. Some Councillors felt that we have to offer the industry the same power rates as in Edmonton to attract the establishment of industry in St. Albert. Council tabled this complicated matter for further study.

Mayor Salary

Council decided to bring once again the matter of salary for the Mayor before the rate payers in the forthcoming October election.

STURGEON HEALTH UNIT

Prenatal Classes - Sturgeon Health Unit is planning another series of classes for expectant mothers. These classes will commence October 6th, 1965. The classes will be held on Wednesdays from 11:30 A.M. - 3:00 P.M. for 5 weeks. These classes are intended for the pregnant woman who is interested in knowing the background information so essential for healthy family living. During these classes we will discuss such topics as: Anatomy and Physiology, Nutrition and weight gain, Childbirth, Growth and development of the baby. One half of each class is devoted to demonstrating and practising relaxation and breathing techniques. These techniques are designed to contribute to your well being and comfort during pregnancy and delivery. Any expectant mother who is three months pregnant or more, please phone the Health Unit for further information.

NOMINATION DAY

Nomination Day for the October Town Elections will be held on Wednesday, the 22 of September, 1965, from 11 A.M. to 12 noon in the St. Albert Town Hall. The following positions will be open in the different municipal offices. For example,

Two Councillor positions. Councillor John de Brujin and Dr. David Stewart are finishing their terms. Dr. J. Stewart has decided not to run again. Public Schoolboard: Two trustees as Armand Lachain and Dave Fraser are finishing their terms. Protestant Schools: One position as trustee. Roy Usher is finishing his term. Salary for the Mayor - A money by-law will be brought before the rate payers calling for a \$6,000 annual salary for the Mayor of St. Albert.

LIONS NEWS

Lions Meeting, September 6, 1965
The first fall meeting of the St. Albert Lions Club was held on Tuesday evening, September 6th, at Club Monaco. Approximately 15 members were heard. Mr. J.A. Boni, of the Attorney General's department, spoke on the Adult Education Program in Alberta. The next Lions Meeting will be held on Tuesday, September 21st at the Club Monaco.

Letter to the editor

In reply to your editorial in the September issue of your paper, I would like to point out that Constable Haggerty, of the R.C.M.P., was personally informed by myself that the dance in question was to be held.

The dance was in no way unchaperoned "wild". It was thoroughly and strictly supervised by myself and a staff of four responsible persons.

While the Community League ignores the actions of some of the young people after the dance, the Gazette was entirely wrong in reporting that the dance was wild.

J.H. Terrill, Pres.

Note Editor

Constable Haggerty was informed about this dance but not specifically that it would be the former Alberta Youth Dance Party. We don't have any doubt that this dance was strictly supervised but the expression "wild" can be interpreted in many different ways, by many different individuals.

Party Line - Many fortunate homes in St. Albert have acquired a different atmosphere, they seem to have changed in many ways, almost overnight for some inexplicable reason. There's something special inside those walls that wasn't there before, a very special possession, unlike one anyone else may own. The difference goes beyond the house, follows the members of the family as they come and go, the friendly neighbors, the thoughtful and polite deliveries made to that home-

one who is now residing there. Too - there's often a light at night where there wasn't one before!

Close your eyes and imagine you can see in this room a tiny bed, and a tiny form in it which sometimes moves just slightly, perhaps a tiny arm is stretching or a small sleepy-head moves from side to side until it too becomes quiet again and returns to a favorite, relaxed position.

Of course, it's a sweet little baby! There's nothing quite like having a new baby in a home, even the neighborhood. It's greater than THE event of the year, eclipsing winning five straight wins, Astronauts landing in the ocean, or any invention created to make one richer, hap-

pier. Life in this home has an air of fulfillment, a spirit of eagerness, the participating in something totally unique, the inside ringside seat to the unfolding of the beginning of a new life, a new being. Everyone wants to share in each new phase, each new look. They want to hold the new born child, experience the tingle of touching this beautiful living creature, so tiny, so soft, so precious! There's a hush when baby sleeps, an anxious amount of movement at feeding, bathing and changing time, and a great deal of walking at burping time! Whether Mother and Father brought baby home together from the hospital or from a foster home, baby's there to stay, safe, content and happy. Congratulations

Club Notes

The "Triple M" will meet Friday, September 17th at 8:30 P.M. in the Church. An evening of bowling has been arranged at Coral Lanes which will begin at 9 P.M. Those attending will then return for coffee at the church.

Father Lacombe Chapter I.O.D.E. will hold the first meeting of the fall Tuesday, September 21st at 8 P.M. at the home of Mrs. J. Schneider, 41 Grandora Crescent. All members are urged to attend, as the agenda for this meeting includes many new and important items.

Beta Sigma Phi-Chi Chapter: The first meeting since the summer of Chi Chapter was held at the home of Mrs. Moffat. An interesting program on speech and speeches was given by Mrs. D. Sinclair after the business meeting.

C.W.L. News - The first meeting of the new season for the St. Albert Catholic women's League was one which will be remembered vividly by the more than 300 persons who attended. The speaker for the evening, Reverend Sister St. Francis Cabrini, a Misericordia Sister, Directress of the Pineview Home was introduced by Mrs. John Krupa. Sister's talk, "Communication in the Family" was heard by representatives from all denominations in St. Albert and Villeneuve.

Sister Cabrini spoke with great warmth and knowledge. She spoke mainly of the poor communication in homes of our times of the stresses and strains besetting family relations, by too many outside interests, which undermine the normal feeling between parents and growing children. Her message to parents was to take time off to speak to their children at a very tender age, when questions come bursting out, and to tell them the truths they have the right to hear. She warned that other communications such as T.V. programs and shows at theatres and Drive-ins, were a source of information for bright young minds, and that many of these were very harmful. She described modern home life as a filling station. Nobody talked, everyone looked at T.V., listened to radio, records, but no one spoke to each other. She also stated regretfully that real love was

continued on page 10

continued from page 9
Cherchez La Fennec

disappearing, yet everyone yearned to be loved, which is only natural. Sister Cabrini asked parents to prepare their children well for their life in public, and not to give over these duties to schools.

Mrs. W. Penrose thanked Sister on behalf of all those present as did Reverend W.D. Jarvis, Minister of the St. Albert Presbyterian Church.

Lunch was served by the C.W.L.

The C.W.L. would like to remind their members and also the general public of these upcoming events: October 3rd - Parish Chicken Supper; October 13th - Northwestern Utilities (Gas) Cooking School; November 21st - Bazaar - Frontier Family Fair.

If You Are "The Boss"

and employ 4 or more people, it will pay you to find out about New York Life's Employee Protection Plans.

Baptisms - Became Children of God on September 12, 1965: Kevin Joseph, son of Mr. & Mrs. E. Purschke. Mr. & Mrs. Leo Lancaster served as Godparents. Christopher John, son of Mr. & Mrs. Joseph Newmann was also baptised by Father Lafrance. Godparents were Mr. Edward Newmann and Mrs. Victoria King. Darin James, son of Mr. & Mrs. Rodney Kluthe, chose Mr. & Mrs. Ron Campbell as Godparents. Reverend Father J. Levangie officiated. Parish Kindergarten - At a recent meeting, Mr. Clarence Saddler was elected President of the Parent's Association which has been formed. Any inquiries may be directed to Mr. Saddler by telephoning 599-7127.

The Parish welcomes their new vicar, Reverend Father Colin Levangie, O.M.I. who is replacing Reverend Father L. Morin. He will be in charge of the young people and will take an active interest in the teaching of religion in school. He will also be the Chaplain of the Guides and Scouts amongst his many duties. Star of the North Retreat House Members of the clergy, associates, family and friends gathered to say farewell to Reverend Father Maurice McMahon, O.M.I., Sunday evening at 8:30 P.M. Father McMahon leaves the Star of the North after twelve years, during which time he lectured and toured many points in the Province recruiting.

Mr. J. Forest, Patron of the Retreat House, introduced Reverend Father P. Thibault, Director, who thanked Father McMahon and described the intense devotion with which he had performed the many duties assigned him during these past years. Father Thibault also told of the new post entrusted to him by Father Provincial, who was also present. Father McMahon will leave soon for Cluny Alberta where he will be Principal of the Crowfoot Indian School. He also spoke of Reverend Father Cauchet, and regretted that he was absent at this time. Introduced as newly appointed members of the staff were Reverend Father L. Morin, and Father J. Joly, who will replace Father McMahon. Of particular interest was the presence of Mr. & Mrs. N. McMahon, Mr. & Mrs. Joly of St. Paul, and Mr. Augustin Morin of Edmonton, parents of the priests.

Reverend Father McMahon was presented with a travelling case by Mr. Thomas who spoke on our behalf as well as did Mrs. Macdonald and Mr. J. Forest. In return Father McMahon thanked those who had helped him, his superiors and associates and bade them keep co-operating as they had done in the past. A sing song followed, after which a delicious lunch was served.

Inquiries of Mary - The meetings of Mary resumed their meetings on Thursday, September 9. The installation of the new executive was the main item of business. The new executive consists of Marlene Munroe, president; Yvonne Desjardins, vice-president; Pauline Lannin, secretary; Paulette Serie, treasurer; Lorraine Desjardins and Cecile Venneau, marshals; Simone Bourqueoin, chancellor.

Last year the Squires visited the Parliament Buildings and the Queen Elizabeth Planetarium. A Halloween Party and a Weiner Roast were also organized by the Squires. For outdoor entertainment during the winter months, a skating party was held. Conscious of the importance, the Squires attention, a Retreat Prospective members wishing more information about the Squires of Mary are invited to call Pauline Lannin at 599-6727.

UNITED CHURCH

Lovely red aisle carpets were laid in the Church Sanctuary last year. This carpet was made available due to the generosity of a member of the congregation and we are indeed grateful and indebted to this member for this most generous donation. It has done much to enhance the beauty and solemnity of our beautiful Sunday School for the children. The congregation will be under way on Sunday, September 19. Children from Grades 3 to Grade 12 meet at 9:30 A.M. Nursery and Kindergarten up to and including Grade 2 meet at 11:30 A.M. At the same time the Worship Service is held. If your children were unable to enter last Sunday, bring them along this Sunday. We will be glad to have them. A meeting of the teachers and officers of the Sunday School will be held on Wednesday evening, September 16 at 7:30 at the home of Mrs. W. Blackie, 46 Belmont Drive. You are reminded of the meeting of the Triple K Club on Friday, September 17th at 8:30 P.M. at the Church. We will then proceed to the Coral Lanes at 9:00 P.M. for an evening of bowling. The group will return for coffee at the Church.

St. Albert Baptist Church

Last Sunday for the opening of our Sunday School, a good number of children were present. We were all happy to be together again and are looking forward to a very active winter.

Next Sunday, September 19th, will be Hallowe'en Sunday. For this we will have the Sunday School and Church will meet at the same time, 11:30 A.M. Some of the Sunday School scholars and visitors of the church will take part in the service. The minister will give a short but appropriate address. As known, the rentals will be agreeably low.

now well their children perform. In June of this year, Mr. & Mrs. Josephine McPatter were baptized thus publicly acknowledging the Lord Jesus Christ in their behaviour. Last Sunday night Mr. & Mrs. McPatter also testified to their faith in Christ in this same manner. Both these services took place in the First Baptist Church in Edmonton.

ANGLICAN CHURCH

Today, September 13th - 9 A.M. Holy Communion - 11 A.M. Choral Eucharist to read "The Death Penalty". The 11 A.M. service provides an opportunity to receive the sacrament regularly each week. A brief instruction is provided to meet the needs of families and individuals attending. Sunday School sessions are held during the 11 A.M. service for children age 3 to 14 years, and a nursery is provided for babies and tots. The Anglican Young People are planning for a fun and social night on September 26th. A large attendance is expected. Non Anglicans in the community are invited to attend and meet their fellow members. Church reunion is a movement which is gaining force across the whole world today. What can it mean for mankind as a whole? Quite apart from the witness it makes for God's truth, surely it is a big step toward lasting peace when it is seen that men of every color, race, and nation can work together as one in the church, then new hope for the future of mankind will arise in men's hearts, where at present racial tension and national discord endanger despair. How important therefore that we should pray and work in our own community for a closer relationship between all Christian folk. Visitation: In late spring most of our new families were visited and invited to participate in the parish life. Many have responded. In the fall we hope to visit all our people to present the challenge of building a strong parish. Attendance, service and financial support are all required if we are to move forward. From such a response will come a strong congregation actively serving God and able to willing to build whatever may be needed to serve His need. A church building and a congregation go together. To work, to serve, to become a self-supporting church, to erect a permanent centre for spiritual growth and outreach - all these objectives must be pursued together. This will be the challenge in our visitation. Your response is the only invitation we have possible.

Academy of Music Introduces Their Teachers

Sandra Sarry. St. Albert. Sandra was a student at Paul Kane High School last year and graduates on Friday, September 17, 1965. Sandra is studying for her grade 10 in piano and may even decide to take up music as a career. More about Sandra next month.

Bob Cairns - St. Albert

Bob is married and an up and coming young man. He and his lovely wife have recently moved into St. Albert and we wish them a happy stay. Bob is a jeweller and is associated with Harry Banks at the Fabers as well as the J.B.C. we will try to have a picture of Bob next month.

All Bryonier - St. Albert

We don't really think an introduction to Alf is necessary as he has lived in St. Albert with his beautiful wife (formerly Joan McDonald) for the past five years and has taught many students in St. Albert accordion as well as their A B C's. We will try to get Alf to pose for a picture in the near future.

ST. ALBERT BRIDGE CLUB

SUNDAY PROGRAM AT THE EDMONTON PUBLIC LIBRARY

Edmonton Public Library presents a stereo concert on pre-recorded tapes on Sunday afternoon, September 19, from 2 to 3 P.M. This week Ravel's Bolero and Borodin's Polovetsian Dances from Prince Igor will be performed by the London Festival Orchestra conducted by Stanley Black. The program will be in the music room, admission free. Film Program on Sunday, September 19th, at 3:30 P.M., Baden Powell, Chief Scout of the World (40 min.) and The Questioning City (20 min.).

PUBLIC SCHOOL DISTRICT

St. Albert Public School District No. 3. The student enrollment has increased about 150 students over last June. This has created six new positions on the instructional staff. This increase and change in the regular staff results in thirteen new persons in the school system. Fortunately the district is able to supply specialist service through guidance and counselling service as well as special library personnel. Unfortunately there will be some over-crowding in some areas of the district and students will have to be transferred from some school localities to others within the district. It is hoped that such moves will not cause undue inconvenience to students and parents.

1965-66 Teaching Staff

Protestant School District continued from page 14

he received the resignation of Mr. Harry J. Armstrong who has acted as Secretary-Treasurer for the past seven and a half years. Mr. Armstrong's resignation was received on August 26.

At a meeting of the Board held on September 2, 1951, Mr. Case, the District's accountant, was named Acting Treasurer. Mr. Froustot was named acting Secretary until a replacement for Mr. Armstrong had been appointed. Mr. Armstrong will remain with the District until the 1st of September.

Mr. Armstrong will be returning to Canada on a full time basis. The Board wish to join with the community in wishing Mr. Armstrong every success in his university career.

Protestant School Board Meeting

The meeting of the Board was opened with 3 members of the public present. Board Chairman, Mr. Case, opened the meeting.

Review of Contracts - The Board was tendered for the work to be done on the Pauline Science room and library. Mr. Russell asked that the tenders be put aside until the matter of tendering could be discussed. Mr. Case wanted to know why tenders and contractors from St. Albert had been excluded from bidding on School Board jobs. During the discussion it was learned that the Department of Education has not invited the secondary road and the Board approved a bid in from Mr. Russell that the architect call for separate bids for the science room. In a further motion, Mr. Russell asked that local contractors be given the opportunity to tender on school work. It was decided that this should be published in the local paper.

Bus Transporting - Last year the transportation was supplied to the children at \$2.00 per month per child. Mr. Case requested that the Board make an arrangement for this year. After a great deal of discussion, it was decided that George Walker that the Board provide transportation on a temporary basis at the same rate as last year. It was pointed out that the Board was not to have a general review of the whole matter of bus transportation.

Street Cleaning - Mr. Froustot advised that the damage to the street at 34th and 10th Avenue on May 7, 1951, by the N.P. have been repaired. After this the Board was responsible for laying asphalt. It was decided that the work be done at that time.

Bridge - A letter from Mr. Froustot advised the Board that the bridge over the Sturgeon River, which had been destroyed by the flood, had been repaired and the

Mr. Bronson asked for modification of dress regulations, concrete walks and playgrounds. The matter of dress was referred to the Superintendent. Mr. Russell asked that special consideration be given to grade one girls so that they could wear gym clothes to the Thursday afternoon gym class. The Board did not feel it could not permit walks on the Town property but that it should consider the matter of school patrols for the Bonnerup School.

Art Craft - Mrs. Morris represented the school petitioning the Board for much needed space in which to carry on the work. They were prepared to make sharing arrangements with equipment. The Board was sympathetic to their request but did not feel that it had the power to grant space in a building for what was essentially a recreation program. Chairman Dr. Case also advised Mrs. Morris that space was a great need in the District.

Enrolment - The Superintendent advised that the enrollment expenditures were planned for 1600 pupils and the present enrollment is only 1578. Some Board members were concerned that there was nothing done by way of estimates and Mr. Walker felt that there should be a review of the method on which these estimates are based. Teachers had been asked for the full enrollment. Mr. Russell advised that the Superintendent review the whole matter to see if the use of portable should be eliminated. Mr. Case said that if we are 1500 pupils it is in the interest, and that if we have an enrollment of 1578, we should

be able to accommodate our grade one pupils in schools. This was defeated. The Superintendent was asked to review the problem of enrolment and come back with a recommendation. The Superintendent pointed out that the enrolment could increase to 1600 but that this would still be 100 short for revenue purposes. Mr. Walker asked the administration to make every effort to restrict capital expenditures until an adjustment to the lower enrolment was made. The Meeting adjourned at 1:30 A.M. The next meeting will be held on September 23rd at the Board Offices.

The first apartment building in Mission Park, alongside the Sturgeon River, is nearly ready. This building is an architectural asset to our Town. The picture is taken from the bridge on 10th Street.

from time for the existence of the
Edmonton Police. After many years, the
Police have started to bring in the local
supervisors such as ministers and
some cards. All the members will soon
be seen.

SKILLED BLIND TYPISTS

These girls, blind women from just 16 to 26 years of age, are the latest addition to the staff of The Edmonton Technical Institute. For the first time since 1945, the students have been given the chance to learn the skills of secretarial work. The purpose of this training is to give the girls the opportunity to earn their living in the world of business.

But that's not all. These girls have a qualification as typists and a better chance of getting a position in business. Because with the secretarial work, they have also learned to type in the business machine. The girls are given the opportunity to earn their living in the business world of today. And just a few months ago these girls were given the chance to learn the

secretarial art in the Edmonton Technical Institute. But this year 17 girls are added to the staff of the Edmonton Technical Institute. And this year, the girls are given the chance to earn their living in the business world of today. And just a few months ago these girls were given the chance to learn the

secretarial art in the Edmonton Technical Institute. But this year 17 girls are added to the staff of the Edmonton Technical Institute.
